THE BOARD OF DIRECTORS
FOR THE ANNUAL GENERAL
MEETING 2024 AND MOTIVATED
OPINION REGARDING THE
PROPOSALS

Nomination process

The process for the nomination of the members of the board of directors (the "**Board**") for Cavotec SA ("**Cavotec**" or the "**Company**") is construed in the light of the Swedish Code of Corporate Governance (*Sw. Svensk kod för bolagsstyrning*) (the "**Code**"), while still respecting the Swiss laws and regulations applicable to a Swiss company. The ultimate goal has been to adopt a nomination process that is open and transparent to all shareholders and stakeholders.

Cavotec's nomination committee (the "**Nomination Committee**") shall be a committee established by the Board. This is in line with Swiss law but will constitute a deviation from the Code that prescribes that the Nomination Committee shall be determined by the shareholders. To follow the rules that apply to Swiss companies, the Board has decided that the Nomination Committee shall be established by the Board. The composition of the Nomination Committee shall, however, be in line with the Code. The Nomination Committee shall ensure that the Company has a formal and transparent method for the nomination and appointment of Board members. The objectives of the Nomination Committee are to regularly review and, when appropriate, recommend changes to the composition of the Board to ensure that the Company has, and maintains, the right composition of Board members to effectively govern and provide guidance to business, and identify and recommend to the Board individuals for nomination as members of the Board and its committees (taking into account such factors as it deems appropriate, including experience, qualifications, judgement and the ability to work with other Board members, as well as the diversity of the Board).

From October 2023 the Nomination Committee members are Henrik Blomquist (representing Bure Equity AB), Per Colleen (representing TomEnterprise Private AB – Thomas von Koch), Thomas Ehlin (representing The Fourth Swedish National Pension Fund – AP4), Fabio Cannavale (representing Nomina SA) and Patrik Tigerschiöld (chairman of the Board).

In October 2023, the Nomination Committee began preparing a proposal for the Board to be submitted to the Annual General Meeting 2024.

After having received the support and approval by the Board, the Nomination Committee defined its final proposal as follows:

According to article 13 of the Cavotec's current articles of association (the "**Articles of Association**"), as well as Swiss law, the members of the Board are elected each year to hold office until the following annual shareholders' meeting. Board members (directors) may be re-elected.

It is proposed that the Annual General Meeting 2024 in Lugano is to be chaired by Patrik Tigerschiöld, chairman of the Board.

Patrik Tigerschiöld, Niklas Edling, Annette Kumlien, Keith Svendsen and Peter Nilsson stand for re-election.

The Nomination Committee proposes Patrik Tigerschiöld, Niklas Edling, Annette Kumlien, Keith Svendsen and Peter Nilsson to be re-elected as Board members (directors) for a further one-year term of office expiring at the Annual General Meeting to be held in 2025.

The Nomination Committee furthermore proposes to nominate Patrik Tigerschiöld as chairman of the Board.

The Nomination Committee's proposal for the Board means that one of five members are women and that all five members have considerable competence within higher education, leadership and financial analysis. The Nomination Committee strives for diversity in several aspects, primarily gender and competence within higher education, leadership and financial analysis.

With respect to the requirements in the Code that a majority of the Board members (directors) elected by the shareholders' meeting are to be independent of the Company and its executive management and that at least two of this majority also are to be independent in relation to the Company's major shareholders, the Nomination Committee has carried out the following assessment:

Annette Kumlien, Niklas Edling, Patrik Tigerschiöld, Keith Svendsen and Peter Nilsson are all independent of the Company and its executive management.

Annette Kumlien, Niklas Edling, Keith Svendsen and Peter Nilsson are all also independent in relation to the Company's major shareholders.

The Nomination Committee therefore concludes that all requirements of independence of the Board members (directors) as set out in the Code are met.

Shareholders representing more than 40 per cent of the votes support the above-mentioned proposals made by the Nomination Committee.

In accordance with Art. 698 para 3 and 733 CO and with Cavotec's internal regulations, the Nomination Committee proposes to elect the following members of the Board to be part of Cavotec's remuneration committee (the "**Remuneration Committee**") for the year 2024/2025: Keith Svendsen, Patrik Tigerschiöld and Peter Nilsson.

With respect to the requirements in the Code that all members of the Remuneration Committee, apart from the chairman of the Remuneration Committee, are to be independent of the Company and its executive management, the Nomination Committee has concluded that all candidates proposed by the Board are independent of the Company and its executive management.

THE BOARD OF DIRECTORS
